

H-1B cap update

As of November 27, 2009, approximately 58,900 H-1B cap-subject petitions had been filed and counted toward the general H-1B cap of 65,000. USCIS will continue to accept both cap-subject petitions and advanced degree petitions until a sufficient number of H-1B petitions have been received to reach 65,000 taking into account the fact that some of these petitions may be denied, revoked, or withdrawn.
