

CIS Issues Update of Receipt Notices for H-1B Cap Cases

USCIS is currently experiencing a delay in receipting/data entry at its Service Centers due to the volume of H-1B cap filings on April 2 and 3, 2007. The following projections for fee receipting and data entry processing for H-1B cap cases has been given by USCIS:

California Service Center: Receipting for all form types should be completed by June 15, 2007

Nebraska Service Center: Receipting for all form types were completed by May 10, 2007

Texas Service Center: Receipting for all form types should be completed by May 10, 2007

Vermont Service Center: Receipting for all form types should be completed by June 2, 2007

Note: These projections do not apply to Premium Processing or I-129 H-1B (cap or non-cap) cases.
